

Grade 6 Girls Triple Ball Schedule 2018

1. Host school sets up one net to accommodate three teams
2. Each match is 25 minutes in duration.
3. Round-robin each Thursday. Host team plays 1st and 3rd match.
4. Net height 2.05m
5. Triple ball rules apply – see attached (it may be worth making an announcement to any spectators before the match regarding the change from volleyball to triple ball to encourage the development of passing, setting. Briefly describe the sequence of player serve, coach 1 free ball, coach 2 free ball. Probably only needs to be done the first week.)
6. Host coach needs to ensure there are THREE volleyballs in good/similar condition (three per court).
7. Please arrange a referee for each match. Coaches should use their discretion when helping to determine the playability of the free ball and the intent of the player in position #6 as to whether the ball was/was not intentionally sent directly over the net on 1st contact. Please review rules!!
8. ** VMS teams will always play at same host site; therefore, some match repeats will occur.
9. Game results do not need to be reported (no playoffs)
